Dear Ms Marnocha:

The Department of Industry, Labor and Human Relations has received notification that pursuant to ss. 101.65, 101.76 and Ind 20.06(1)(a), your municipality intends to exercise jurisdiction for the administration and enforcement of the Uniform Dwelling Code.

The municipal ordinance adopting the Uniform Dwelling Code submitted as required by Ind 20.06(1)(b) has been reviewed. The ordinance appears to be in compliance with the provisions of the code. If you have not already done so, the ordinance should be reviewed by the municipality's legal council to determine if there are any conflicts with existing municipal ordinances.

Should you require additional information concerning the administration and enforcement of the Uniform Dwelling Code, contact:
